This initiative supports families financially, promotes sustainability, and strengthens partnership between the school, PSO, and families while ensuring uniforms remain accessible.

LANDS END TRY-ON

Valor Leander will host a uniform try-on station during the same time as the Uniform Swap where students can try on polos, oxfords, pants (all styles), shorts, skirts, skorts, and shifts to find their correct size. All sizes will be available.

SWAP GUIDELINES FOR PARTICIPATION

Families are invited to drop off gently used uniforms during our drop off period. The PSO and VL faculty will manage sorting, sizing, and inventorying all donated items. Uniforms that are stained or damaged will be removed from the swap and repurposed for accident use or FRL support as needed; these items will not earn swap credit.

- **Only families who contribute uniforms may participate in the swap.**
- The event will be ticket-based, with no money exchanged.
- Tickets will be earned based on the quantity and type of approved uniform items donated. Any unused tickets following the event will be considered a donation to the school.

Ticket Valuation

- Pants, Shorts & Peter Pan shirts — **1 ticket**
- Logo shirts (short or long sleeve) — **2 tickets**
- Sweaters, skirts, VL Jackets & shifts — **3 tickets**

Example: Donating one pair of pants (1 ticket), one shift (3 tickets), and one logo shirt (2 tickets) would earn six tickets, which could be redeemed for items of equivalent ticket value (e.g., two skirts or three logo shirts).
